First Nine Weeks Principal’s Letter

Dear Parents and Families,

As you know the first nine weeks of the school year concludes on Friday. This is followed by our conference week during the week of October 22-26th. During this week, students will be dismissed at 2:30 pm each day. For parents of car riders and walkers, please make sure arrangements are made so that students are off campus by 2:45 each day, as there will not be after school supervision on these days.

The first nine weeks at Campbell Middle School have been phenomenal! I hope that you have been reading my weekly blog and the teachers’ daily blogs. They are full of a wealth of information about the wonderful learning taking place at the school. In addition, our renovation and construction projects bring about changes every day at the building.

As mentioned at Open House, in my blog, on the web site, and in dial outs, our student population grew significantly this year. As a result, starting on Monday a large number of students will be receiving new schedules and begin classes with new teachers and different classmates. Whereas, this can be a bit scary at first, I assure you the new teachers are fantastic and they have spent the last few weeks teaching with our teachers and getting to know the students. In addition, these changes will allow for all of our students to have smaller class sizes, which we know is better for everyone. The entire staff is supporting this effort, and once again, I ask for your support. Please understand, if your student does have a new schedule, that schedule will remain in effect for the remainder of the school year. Please call if you need help in assisting your child with the transition, but help us in communicating that this change is one that will benefit them. As always, I can personally answer questions, just call or email me.

As a last reminder, please be sure to consult the Standard School Attire list when purchasing cooler weather clothing. Standard School Attire is a daily requirement and it is expected that all students will comply with it each day, so please use the guidelines on our web page when shopping.

Thank you for all of your continued support of Campbell Middle School.

Sincerely,

Gail Johnson
